

Area school ratings

Ohio school districts and most schools received individual ratings by the state Tuesday. The ratings are based on the number of state standards they meet. The number of standards met for 2003-04 is shown in parentheses after the district name. The ratings are excellent (17-18 standards met); effective (14-16); continuous improvement (9-13); academic watch (6-8) and academic emergency (5 or fewer).
