

I wish to apologize to Rip Torn for a television commercial that aired in late October and early November 2007 in the Cincinnati area on stations WCPO, WLWT and WKRC, as well as on Time Warner Cable. That commercial discussed, in part, my efforts to get sexual predators off the streets. Purely as a result of an error by my campaign, an unauthorized altered image of Mr. Torn was inadvertently shown during that commercial. I never intended to imply any improper or illegal conduct by Mr. Torn. I have been informed that, in addition to being an award-winning actor, Mr. Torn proudly served in the United States Army as an M.P., and was honorably discharged having obtained the rank of First Lieutenant. I wish to correct any implication that Mr. Torn has ever had any involvement in the conduct discussed in the commercial, and I apologize to Mr. Torn for any distress this may have caused him.
